<b>Platform:</b> What is your issue, and <u>what are you proposing that TASC as an association or TASC member schools do to address this?</u> (Please see TASC guidelines if there is a cost to this platform.)	Collectively we have faced numerous challenges over the past few years, and our schools and communities have become disconnected in many ways. Our platform encourages councils across the state to reflect on successful projects, develop new ideas to inspire others, and plug in to TASC to better meet the needs of our schools and communities. Boswell will lead schools to RECHARGE, REWIRE, and RECONNECT. When we intentionally work together, we will light the way.

To the TASC Director, Terry Hamm:

As the principal of Boswell High School, I have seen our student council persistently work to better the attitude of students and teachers within our school, to serve the community in a variety of ways, and to lead others by example. They are willing to do whatever they are called upon to do and do it well. From projects that show their appreciation for the faculty and students throughout the year to Homecoming festivities and spirit days to the multitude of other projects planned by the council, Boswell Student Council works to increase morale within the entire student body. The community benefits from community service projects and our participation in community clean up days. The members of our student council constitute approximately five percent of our student body; it is a percentage worth watching. It is full of kids that can be looked to as examples from their peers. The Boswell High School Student Council is active and thriving.

I believe that the Boswell High School Student Council could also help TASC in the same way. Given that, I give the Boswell High School Student Council permission to run for the **TASC Secretary** position with my full support. I believe that upon election they will render an outstanding service to all of the student councils across the state.

Thank you for your time and all of your efforts as TASC Director.

Sincerely,

Nika Davis

Principal
