

10n-site TASC OFFICER SCHOOL ELECTION CAMPAIGN RULES AND REGULATIONS

Revised by Board of Directors action, August 2020

TASC expects all candidate schools to be familiar with the rules and regulations and abide by them. Any questions or suggestions prior to the filing deadline should be sent via email to terry@tassp.org, the TASC Director. Please request a read receipt. Following the filing deadline, questions should be sent via email to the TASC Vice President School's advisor. Please request a read receipt.

NOTE: All campaign materials, including the skit, should reflect the HIGH STANDARDS of Student Council and TASC in a positive manner.

I. Goals

- A. To equalize opportunities among schools of different sizes, economic resources, etc. seeking to run for office.
- B. To allow each candidate school an opportunity to present its views.
- C. To ensure an organized and safe campaign for all entities involved.

II. Statement of Standards

- A. All campaign materials should
 - 1. Reflect the Campaign platform
 - 2. Showcase the qualifications of your school/council
 - 3. Be in good taste
- B. Materials should NOT
 - 1. Include references to any other candidate school
 - 2. Reflect violence
 - 3. Be demeaning or degrading to any gender, sexual orientation, race, and/or religion.
 - 4. Include any sexual innuendo (such as, but not limited to, cross-dressing, revealing clothing, suggestive language, and/or body language.) This applies to all multimedia materials.
- C. Dress Code - Candidate schools must follow the TASC dress code while campaigning and during skit performances unless there is a valid reason that an item is an integral part of a costume. (Ex: a hat, shorts, dance tights, etc.) Campaigning includes onsite campaigns, commercials, videos, still images, and social media posts. Costumes not meeting TASC dress code must be approved by the Vice President school prior to the conference. The Vice President advisor must be notified via email at least one week in advance of digital posting or at least one day prior to Day One of the conference for onsite campaigning.. Request a read receipt and answer via email.
- D. General Rule: If there is any question or doubt about whether something is inappropriate, it probably is, so avoid using it.

III. Filing for Office

- A. Schools should file for state office as early as possible, but the final application is due no later than **Sixty (60) days prior to the established date of the Annual Conference**, as required by the TASC Constitution. Modifications on early submissions may be made up until the 60-day deadline.
- B. An application and letter of intent signed by the advisor and school principal is required to officially file for office.
- C. Each candidate school must fill out the candidate resume form with its intent to run packet. This resume will be posted on the TASC website.
- D. After filing its official candidacy, any candidate school may request a TASC contact list from the state office for campaigning purposes

IV. Platform and Theme Clearance

- A. A general platform idea should be submitted when the candidate school initially files to seek office, but NO LATER than 60 days prior to the Annual Conference.
- B. Specific and thorough details regarding the campaign platforms and themes should be submitted as soon as possible to the TASC Director and the current Vice President School advisor. The final deadline to submit **detailed platforms** and **themes** is **6 weeks prior to the Annual Conference**. Failure to do so is grounds for disqualification. Please see the Guide to Writing Your Platform document on the TASC website.
- C. All campaign platforms and campaign themes must be cleared through the Vice-President School advisor so that duplication among schools can be avoided.
- D. A school submitting a campaign platform or theme that is similar to one previously submitted by another school will be advised of the duplication. It is politically inadvisable to use a similar theme when running for the same office. In the case of exact replication, the second school submitting the campaign theme or platform will be required to make a change to the submission.
- E. Written communication from the Vice President School advisor will indicate clearance of platform and theme.
- F. Campaigning via electronic communication or word of mouth may begin after theme clearance from the Vice President School. See Section VII for specifics regarding electronic campaigning.
- G. Campaign platform proposals which would cost TASC more than \$300 must include a plan for raising the necessary funds for implementation. Due to the budget and structure of TASC, campaign proposals may or may not be adopted by the TASC Board of Directors.

V. Campaign Finance

- A. Campaign expenditures are limited to \$1200.
- B. All items purchased or borrowed to be used specifically for the campaign must be accounted for in the expense report. This includes items distributed at the local, district, and state levels by the candidate school or by any other school or organization on behalf of the candidate school.
 1. **Purchased or rented items:** Items purchased or rented must be claimed at cost (actual amount spent).
 2. **Donated Items:** Schools may accept donated items; however, these donated items must be counted against the \$1200 total. Reasonable market value or rental fee of the donated items must be assigned and noted in the Campaign Financial Statement.
 3. **School items:** Standard school uniforms (i.e., football, cheerleader, or drill team, etc.) or equipment (i.e., flats used in performances, audio visual equipment, etc.) may be used in the campaign and will not be charged against the \$1200. If MOST schools would easily have access to a standard school item, it does not count against the \$1200. HOWEVER, if the school item used is not standard (i.e., special stage sets, specialty costumes, etc.), the item must be accounted for at a reasonable amount.
 4. **Clothing/costumes:** Clothing that is purchased, made, rented, or borrowed to be used specifically in the campaign must be counted (see #1 and #2). If t-shirts or clothing items are something that students would normally have, the cost does not have to be counted. Student Council t-shirts or clothing items that refer to the campaign or election, regardless of when they are purchased and worn, must be counted.
 5. **Travel expenses:** Travel for the purpose of campaigning to any activities other than those a school would normally attend shall be computed at a rate of 53.5 cents per mile plus actual room and board and charged against the \$1200. Travel expenses to the conference will not be charged against the \$1200.
 6. **Campaign Party:** A party is defined as a gathering of more than four persons that

includes people from any schools other than the schools in the candidate's TASC district. Refreshments or items used in a campaign party at or before the conference shall be charged against the \$1200.

7. General Items: Any items easily accessible by most schools do not count against your budget. For example, a hammer, screwdriver, power strip, tape measure, drill, computer, or other general items that are available to most schools are considered general items. If you have ANY questions, contact the Vice-President School.

- C. A preliminary financial statement showing the budget for the campaign must be submitted to the Vice President advisor along with the platform and theme **6 weeks prior to the Annual Conference.** (No receipts are due at this time.)
- D. A school may spend up to \$1200 on the campaign. An official budget sheet must be presented to the Credentials Committee on Day One of the Annual Conference. (See Excel spreadsheet provided for that purpose on TASC website.) Please make three (3) copies of the budget sheet and attach the original receipts to one and copies of the receipts to the other two. The original will be given to the Credentials Committee at check-in. One copy will be used for the second check by the Credentials Committee, and one copy will be given to the Vice President School. The budget sheet should include all booth expenses, give-away items, t-shirts, skit expenses, banner cost, and any miscellaneous expenses related to the campaign. The budget should not include expenses related to convention registration, transportation, hotel, or food expenses

A statement to verify expenditures will be given to schools on-site which states:

I certify that _____ (Name of school) _____ has not had expenditures in excess of \$1200 for materials, outside labor, etc., in seeking the office of TASC. (Position Running For).

____ (Advisor's signature) _____

____ (Date) _____

VI. Candidate Requirements

- B. Officer school candidates must name the student and the advisor who will represent the school (if elected) on the Board of Directors. **It is recommended that the student and advisor selected to represent the school on the Board have substantial experience in Student Council and TASC programs.** Both will be involved in policy discussions and decisions, so the more exposure and experience with TASC activities and programs, the more knowledge he/she will have in order to be an effective officer.
- C. The student representative will be required to deliver an introduction to his/her school's candidacy during the Opening General Session following a nomination and second. **The nomination, second and introduction is not to exceed two minutes and 30 seconds.** Student representatives will be silently alerted when two minutes and 30 seconds have passed.  - B. Second
 - C. Acceptance of nomination

- D. Introduction of self and school
 - E. Qualifications of school to serve in the position
 - F. A detailed explanation of platform.
2. Representatives from two separate schools should nominate and second the candidate school and representative. The student who will represent the school as student officer should accept the nomination and should clearly be identified to voters as the school representative. An appropriate statement of acceptance could be: "If ___ high school is elected, I will do my best to" **Please** write the nomination and acceptance speeches and include practicing them in your speech so you will not be surprised by the extra time.
 3. Students from current officer schools, conference coordinator school, TASC elected advisor schools, or schools represented on the Credentials, Tabulations or Meet the Candidates Session Committees may **not** nominate or second a candidacy.
- D. The student who will represent the school on the board if elected will be required to participate in a "Meet the Candidates Session." Each candidate school's student representative will be asked questions from delegates in the audience regarding platform and qualifications. All candidates will be given one minute to introduce themselves and their platforms at the beginning of their "Meet the Candidates Session."

Past candidate schools have advised that approximately 3,500 are needed. Please verify tentative numbers with Vice President school before purchasing.
 2. All campaign "give-away" items must be wearable. No food, snacks, or drinks can be used as "give-away" items. Stickers or gummed-backed items are not allowed, with the exception of badge ribbons or self-adhesive bracelets.

Spaces will be marked by tape on the floor (approximately 3'x4') and identified for each candidate school. The space may or may not include a wall to lean items against. Please consider this as you plan. All pieces must be able to fit through standard doorways (7' x 3') and be maneuvered up and down stairs.
- H. Each candidate school may create digital campaign material. Digital content may include the following: websites, videos, graphics, and other digital materials and should follow the statement of standards-

VIII. Distribution of Materials at the TASC Annual Conference

- A. No tangible materials may be distributed prior to the TASC Annual Conference.
- B. Campaigning may be conducted, and materials may be distributed according to the following schedule, provided it does not interfere with any other conference activity.
 1. Day 1:12:00 p.m.-7:00 p.m. After **clearance by the Credentials Committee** until the start of the First General session.
 2. Day 2:8:00 a.m.-9:00 a.m. **Prior to the start of the 2nd General Session.**
 3. All materials related to the campaign must be removed from the Convention Center by the end of Day 1.
- C. All distributed items are to be passed hand-to-hand and must be worn excluding social/digital campaign material.
- D. No distribution of materials may take place in the general session room at any time. Nothing is to be thrown into the audience during the rally or candidate's speech the first night.
- E. Nothing may be distributed after the Political Rally on the morning of Day 2.
- F. Campaign materials may **NOT**:
 1. Be posted on doors, walls, door handles, curtains, or other fabrics.
 2. Be hung from light fixtures, air conditioners, air supply ducts, return air grills, or diffusers.
 3. Obstruct exits.
 4. Be plugged into any exit light fixture or socket.
 5. Black-out or deface an exit light or obstruct it from its original line of sight.
 6. Be posted in hotels or outside the Convention Center.

IX. Campaigning Face to Face and through Digital Materials/Social Media

- A. Once your campaign platform has been approved by the Vice President School and is posted on the TASC website, you may begin campaigning face to face and through digital materials and social media; **however**, any financial expenditures (including social media), must be reflected in your campaign budget.

X. Booths

- A. Each candidate school will be assigned a designated campaign area with two 6' or 8' tables and two chairs located in the campaign area of the Convention Center. Candidate schools will use the allotted space to create a campaign and informational booth. An informational storyboard

about your school's qualifications and platform should be included in your booth. The space will be "open" meaning there will be no wall available to use as support for any structure created. The booth structure, as well as any activities (games, etc.), may not be set up or conducted outside of the allowed space.

- B. Booth location is determined by a drawing, and a draft diagram will be sent to each candidate school prior to the conference.
- C. Noisemakers, musical instruments, amplifiers, and other approved demonstration materials may be used only inside a candidate school's booth and may not detract from others' booths.
- D. Electrical hook-ups for booths will be available on-site. Candidate schools should inform the Vice President School of the need in advance and must provide their own extension cords and surge protectors. Candidate schools will be financially responsible for any electrical hook-ups if a cost is incurred. This cost must be included on the campaign budget report.
- E. All booths must be torn down, and all items removed from the campaign area by a time designated by the Credentials Committee

XI. Political Rally

All distribution of campaign materials by candidate schools must CEASE before the Political Rally (second general session) begins on Day 2.

- A. Each school will have seven minutes during which time **setup occurs, campaign skits are performed, and the stage is exited**. Schools will receive silent notification after six and one-half minutes, after which schools will have 30 seconds to complete all presentations and exit the stage. Any continuation of presentation beyond the allotted seven minutes is grounds for disqualification. A five second grace period will be allowed. The Parliamentarian School will provide a large clock / timer to be set off stage (center) and visible to the candidate schools.
- B. For technical specifications, candidate schools should refer to the official "State Officer Campaign Skit Technical Guidelines" document. This document provides detailed specifications concerning scripts, music, video, lighting, power, and microphones.
- C. Skits should reflect the candidate school's platform and a call to action for TASC schools rather than being solely for entertainment.
- D. The space available on stage at the Convention Center for skit performances is approximately 30' wide by 20' deep.
- E. Any mechanical or technical delay, upon request of the advisor immediately upon occurrence, will be timed, and an extension equal to that amount of time will be added to the presentation. Please remember that any audience participation or audience reaction is included as part of the seven-minute total.
- F. All presenters will enter from backstage, specifically entering from one side and exiting from the opposite side as directed by the production company (traditionally entering stage right and exiting stage left).
- G. Do not plan to hang a backdrop from the battens at the Convention Center for the skit. If a backdrop is necessary, plan to use a freestanding frame.
- H. On the day of the Political Rally, each candidate school's skit performers will line up in performance order designated by the production company and the Vice President School. A representative from the Vice President School will escort schools to this area. Schools will have

pre-set all set pieces/props during rehearsal in the designated storage space. The conference coordinator school will provide students that act as guides once schools are in the holding area. All sets and props must fit in designated area, approximately 3'x4', and through a standard 7' x 3' door frame.

- I. Schools may leave props and sets behind the curtain after their skit is completed in a pre-marked area. All props and set pieces must be removed from the backstage area immediately after the Political Rally is completed.
- J. If a candidate school plans to use technology in the skit or campaign and the technology is not addressed in the "Technical Guidelines" document, the candidate school must contact the Vice President advisor before proceeding. Some additional technologies could be available for your use. Contact the Vice President advisor with any questions.
- K. A limit of twenty-five (25) registered student delegates (not including the nominator and second) may participate in the campaign skit performed on Day Two. A practice time will be given on Day One, and all students participating in the skit MUST attend the practice.
- L. No one may come to the stage from the audience as part of the skit. All stage skit participants must enter from backstage. Nothing may be tossed or thrown from the audience during the skit.
- M. No fire code violations or TASC safety issues (running in the aisles, standing on chairs, etc.) are allowed as a part of the skit or the campaign. If you have any questions, contact the Vice President School.
- N. Timing for the skits at the Political Rally begins when the first person on the candidate team steps on stage and will continue until the last person on the candidate team exits the stage. A five second grace period will be allowed. A limit of seven (7) minutes is allowed for each school for setup, skit and exiting the stage. Candidates should practice the timing of entering and exiting the stage prior to the conference. A violation of this rule is grounds for disqualification.

XII. Rehearsal of Skits

- A. Candidate schools are required to rehearse skits on the Convention Center stage on the first day of the conference. Each school will be allotted approximately 10 minutes; the number of schools running for office will determine the final length of rehearsal time. A schedule will be sent to candidate schools before the conference start date.
- B. Each candidate school is required to complete a full-dress rehearsal (costumes, stage set, etc.) and to rehearse its skit in its entirety so there are no surprises for the stage manager or the Credentials Committee during the Political Rally.
- C. Schools are expected to have their presentations completed before rehearsal. The time allowed is to rehearse and make necessary adjustments based on the stage.
- D. A rehearsal schedule will be sent to each candidate school approximately two weeks before the Conference. Schools must be on time. Skits will be rehearsed in the same order as they are performed at the Political Rally. This is in reverse order of their position on the ballot, which is determined by a drawing.
- E. Representatives from the Credentials Committee will be present during skit rehearsal to monitor appropriateness of skits (see "standards" statement above). If anything in the skit is determined to be inappropriate by the Credentials Committee, the candidate school must remove the line/behavior/song/etc. from the skit. If the banned portion of the skit is performed during the skit at the Political Rally, the skit will be stopped, and the candidate school will be disqualified for violation of campaign rules and regulations.

- F. Each candidate school will be allowed to send one student, one tech student, and advisor to tour the skit area prior to the start of skit rehearsal at the meeting of all schools.

XIII. Opening General Assembly

Each candidate school representative is allowed a two-minute and 30 second speech on Day One of the conference. The timing of the speech begins when the student nominating says his/her first word. The candidate will receive a silent two-minute and 30 second warning. A five second grace period will be granted. The candidate school **will** be disqualified if the student representative continues to speak after the two minutes and thirty-five seconds.

XIV. Campaign Violations

- A. Any report of suspected campaign rule violations any time during or prior to the campaigning should be made immediately to the appropriate official. Depending on the severity of the alleged violation, the offending school may be asked to correct the infraction or to report to the Credentials Committee which will take appropriate action. A candidate school may be disqualified if the violation is intentional or flagrant. Each candidate school should avoid using any questionable materials or procedures that circumvent the intent of campaign rules.
- B. A campaign violation is a breach of the rules. There are two ways that a campaign violation may be reported. One is that a Vice President School and/or Credentials Committee member observe(s) a violation before or during the State Conference. The second is when another school reports a violation by filing a formal complaint in writing against the school campaigning for the office.
- C. A formal complaint may be filed against a candidate school by another school. The complaint must be filed within three hours of the violation at the state conference on Day One. If a violation occurs prior to the annual conference, the complaint must be filed via the form found on the TASC website within five days of the observed violation to the Vice President School's advisor. If a complaint is filed on site at the conference, the school filing the complaint must fill out the appropriate form (found on the TASC website or at the Vice President booth at the Conference) and given to the Vice President School advisor or President School advisor at the conference. Complaints will be taken to the Credentials Committee. A complaint about run-off campaigning must be filed before 8:30 a.m. on Day Three of the conference. A complaint will be examined, and a decision will be made as quickly as possible.
- D. If a violation occurs or is reported, the Vice President School advisor and/or a Credentials Committee member will speak to the offending school's advisor in an effort to allow the candidate school to correct the violation. If the offending school refuses to correct the violation, then the school will be disqualified.
- E. A time violation on the two minutes and thirty second speech on Day One or the seven (7) minute skit on Day Two is grounds for disqualification.
- F. The Campaign Violation Formal Complaint Form is printed at the end of this information and will be available on the TASC website and at the Vice President School booth at the conference. Appeal forms are provided as well at the credentials table locations.

XV. Campaign Delegation

- A. According to the TASC Constitution, the Board of Directors shall determine the number of delegates each school may bring to the Annual Conference. Candidate schools must follow the current guidelines for registering a delegation to the TASC Annual Conference.
- B. No non-registered students or adults may attend any conference activity, unless approved a

minimum of two weeks in advance by the TASC staff. All approved guests must check in with the TASC staff and wear a valid name badge and wrist band.

- C. Violation of any campaign rule or regulation may be considered grounds for disqualification.

XVI. Elections

- A. The election shall be by secret ballot and shall be held following the Political Rally.
- B. Position on the ballot is determined by a drawing.
- C. Only advisors or student designees may pick up balloting materials.
- D. Elections are decided by a majority vote (50% + 1 of the popular votes to make a winner). In the event no school receives 50% + 1 of the votes, the two schools receiving the highest number of votes enter a run-off election.
- E. Run-off Election Guidelines
 - 1. If a run-off is required, candidate schools involved in the run-off will be notified
 - 2. In the case of a run-off, the same procedures as used for the original elections will be utilized.
 - 3. All schools involved in a run-off election may campaign after the second day **verbally** and through **social media** only once informed of run-off. T-shirts and costumes may be worn at Six Flags. . All distribution of physical campaign materials must **CEASE** before the final General Session (third general assembly) on Day Three. No schools are allowed to campaign the morning of Day Three before or during the run-off balloting inside the Convention Center or within ten (10) feet of the Convention Center doors.
- F. In the event of a tie vote in a run-off election, the school with the greatest number of votes in the general election on Day Two will win the election. In the event that two schools have a tie vote in both the general election and in the run-off election, the current TASC board members on site will convene on Day Three of the Conference and select a school to fill the office.
- G. In the event a school running unopposed for an office is disqualified, the current TASC Board members on site will convene during the Annual Conference to select a replacement from the remaining qualified candidate schools.
- H. Election results will be announced at the Final General Session. The student representatives from the newly elected officer schools will report to the stage when announced for a formal induction/oath of office before the close of the general session.

XVII. Appeal Process

- A. Candidate schools have the right to an appeal a Credentials Committee decision following proper appeal procedures. Candidate schools may appeal by submitting an appeal form within one hour of being notified of a formal complaint or being disqualified. Forms are on the TASC website and located at the credentials committee table at the conference. Appeals must be submitted to the Vice-president or President school advisor.
- B. Appeals at the annual conference will be voted on by an appeals committee consisting of the following board members: Past President Advisor, Elected Advisors to the Board who are on-site, and students and advisors from elected officer schools. Decisions made by the appeals committee are final and may not be appealed.

XVIII. Obligations and Duties of Elected Schools
