To TASC Board of Directors and Director Patty Wangler,

Bridge City High School Student Council declares its candidacy for the office of TASC Secretary. Bridge City High School has chosen to run with StuCo: The Greatest Show! This platform challenges your council no matter what size your school to create an environment where all students are provided the opportunity for their unique viewpoints to be welcome and heard. We believe that actively seeking student input as well as partnering with admin to make ideas transform into projects can positively impact the campus culture year round. This creates an environment where students want to come to school, faculty/staff want to come to work and EVERYONE has a place.

Our platform will showcase many projects that we do year round to help maintain and encourage positive climate and culture. Our TASC 2023 Top 10 Project "Grins with Friends" is an example where we promote social inclusion and combat social isolation. From the name of the project to the individual ideas incorporated in the week; they are 100% student ideas and student-led-born out of our student body and implemented by student leaders.

The overall focus of "StuCo: The Greatest Show!" is to promote greater student involvement, create an outlet for creativity outside of the classroom, and to be accessible to all high school students. We look forward to challenging all councils to increase student voice and maybe even try something new to make their school the best that it can be.

Bridge City High School and its representatives are committed to fulfilling our duties diligently throughout our term and appreciate your consideration to serve TASC for the 2024-2025 school year as the Secretary School.

Thank you for your consideration, ,

Whitney Cunningham, Student Representative

Cheryl Royal, Advisor Representative
