## Additional Comments:

### School:

The Byron Nelson High School student council has always been involved on the local, district, and state levels of student council by supporting and participating in all events and state service projects since we opened our doors in 2009. We have been heavily involved in TASC District 3, serving as the Parliamentarian from 2014-2015, hosting the D3 Spring Conference in 2012, and serving as the corresponding Secretary from 2017-2018. We have also served on the state board in 2013-2014 as Parliamentarian and 2017-2018 as Vice President.

From the beginning, the BNHS student council has worked diligently to support those in the community that risk everything to serve our communities and our country. From big to small, the Byron Nelson student council will share information and resources to implement year-long projects that benefit our military, first responders, and healthcare workers. Now more than ever, our council believes that all service workers deserve to be honored and recognized for all of their contributions and sacrifices. Throughout our campaign, we hope that all student council's across the state will find a variety of ways to join us in this effort.

### Student:

Mason Stapleton is a junior at Byron Nelson High School and currently serves as the Student Body Treasurer. Even before the first day of school his freshman year, he was attending student council meetings and doing his best to learn how to become a student leader in his school and community. He served as a freshman class representative from 2018-2019 but decided he wanted to have a more involved role in the student council so he ran for and was elected to serve as our Treasurer from 2019-2020 and for 2020-2021. Both years as our Treasurer at Byron Nelson, Mason has managed a budget of \$50,000 for our council, planned and oversaw all fundraisers and our school store, and learned to be fiduciarly responsible with our budget. His commitment to student council is apparent by his consistent involvement and working with his peers to complete numerous projects. His outgoing personality and ability to connect with people have helped him to thrive and succeed as a student leader for our council, school, and district.

### Advisor:

Tammy McClure has been the student council sponsor and a teacher at Byron Nelson High School since its founding in 2009. She has shown exemplary qualities both inside and outside school events, with her dedication to all students. From the very beginning, she worked with freshman and other student leaders to lay the foundation, begin traditions, and build a strong Byron culture. She shows everyone what it means to be a teacher that loves what she does and truly personifies the word spirited. She was recognized by her peers and administration and awarded the Byron Nelson Teacher of the Year award in 2014-2015. She was awarded the 2018-2019 TASC Eddie G. Bull Sponsor of the Year for her devotion to TASC and student councils across the state. She continues to lead by example to teach her students how to follow through in student council and in their personal lives and what it means to be better leaders in their school and community.

February 1, 2021

Dear TASC Board of Directors,

As principal of Byron Nelson High School, it is my sincere honor to announce our candidacy for the office of President for the Texas Association of Student Councils. Our student council works diligently to build and strengthen the climate and culture of our school, where their impact is seen in every member of the Bobcat family. Our school and council will be an outstanding representative for all students and advisors across our state, as well as at the national level.

I also give my full support for our student council advisor, Tammy McClure, to serve as the advisor representative for Byron Nelson. Mrs. McClure has sponsored our council since our inception in 2009 where she has strived to be an advocate for all students and provide a platform where each has the opportunity to make our school, community, and world a better place. She has much experience with TASC District 3 and at the state level where she, along with student representatives, served in various officer positions at each level. Under her direction, we have also received Sweepstakes every year since we opened.

Mason Stapleton, our student representative, has been actively involved in student council at all levels since his freshman year and was elected by his peers his sophomore and junior year to serve as our Student Body Treasurer. He has attended many leadership opportunities at our district and state level to pursue personal growth as well as to connect with other student leaders to reach a greater impact. Mason stands out from his peers with his outgoing personality, his servants' heart, intuitive decision-making skills, maturity, and a true desire to work with others to make an impact in our world. We believe that he is an outstanding candidate that will serve the needs of all students and councils across the state of Texas.

Our council has the experience and understands the commitment needed to serve as President. We look forward to presenting our platform, Serving Those That Serve at the annual conference since we know the impact it can have across our state. Since our founding in 2009, Byron Nelson High School has made a dedicated effort to support all those that serve in our community and our student council now hopes to bring that same support to the state level. We consider it an honor to run for office and serve on the board of TASC due to the fact of the tremendous influence the organization has on so many of our student leaders. Thank you for this opportunity.

Sincerely,

  
Ron Myers, Ph.D.  
Byron Nelson, Principal
