

Franklin High School

900 Resler Dr • El Paso, TX 79912 (915) 236-2200

Dear Members of Texas Association of Student Councils,

Franklin High School is privileged and honored to be running for Texas Association of Student Council Vice President. Being a servant member of TASC for over a decade, we have shown great dedication to this organization. Attending district workshops, state workshops, and conferences has helped us build a foundation of excellence. It is our goal to help continue the legacy of service.

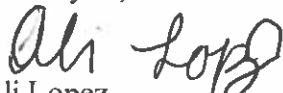

Our platform “Embrace a Priceless Heart” is built upon sharing a kind heart with students of Special Needs. It is our goal to help bring comradery within Texas campuses to establish a unique love for one another. Building strong relationships with these students and helping include them in activities such as a “Prom for All” or Olympic Games helps build inclusion. It is essential that the entire TASC collaborate towards an inclusive and welcoming school environment.

Franklin High School has served at both the district and state level. In 2013-2014, we served as a State President School. At the district level, we had the honor to serve as the District IX President school this past year. Being able to serve at both levels, we have learned and experienced the necessary obligations to hold such a crucial position. Serving has shown us the great value of student leaders working alongside adult advisors to collaborate and impact their community in ways that couldn't be reached before. We promise to uphold the agreements, obligations, and commitments that this position intends.

I, Ali Lopez, Student Representative, along with Cynthia Manzanares, Student Activities Advisor are mindful and more than willing to uphold the time commitment and duties that the position of Vice President requires. If elected, we will do our best to share the foundations of TASC with service and excellence. We will lead by embodying the pillars of TASC: citizenship, scholarship, leadership, human relations, and cultural values. Franklin High School will continue showing commitment, fostering hope, and displaying eagerness with great passion for the community of TASC.

May we help find our “Priceless Heart” within ourselves and use it to spark the growth of others. We greatly appreciate your consideration of Franklin High School for your 2024-2025 Texas Association of Student Council Vice President, and we hope to be able to serve you.

Thank you,

Ali Lopez

Platform: What is your issue, and <u>what are you proposing that TASC as an association or TASC member schools do to address this?</u> (Please see TASC guidelines if there is a cost to this platform.)	The "Embrace a Priceless Heart" campaign strives to include everyone in kindness by making a difference. Our platform aims to build the inclusion of students of Special Needs around Texas. In doing so, we hope that TASC can share the Priceless Heart within themselves to be able to give back. These actions can range from developing friendship to hosting Olympic Games or even to hosting a Prom For All to accommodate their needs. This can allow them to show off their talents and let the community shine with support.
