Additional Comments: List (This can be any additional information you wish to share regarding qualifications, experience, etc.

Our student representative Kalkidan Admassu has been a passionate student council member since her freshman year of high school and has held a class treasurer position in the 2017 -2018 school year and is currently serving as an executive treasurer for the 2018-2019 school year. She has also attended a summer workshop and is the chairperson over the platform project we are presenting. We are confident that Kalkidan is able to lead on a state level as she has done the past three years here at George Bush High School.

Our student council advisor Hallie Baldwin, has served as lead advisor the past two years. She was also the co-advisor the two years before that. She loves the impact student council can make at the local and state level. The impact that TASC has on student leaders. She is proud of all that Bush High School's Student Council has accomplished as it has faced many challenges and changes over the past two years, such as Hurricane Harvey and uniting our campus under new leadership. She is looking forward to bringing ideas from our campus to the state level.

To TASC Director and Vice President Central High School,

The George Bush High School Student Council is proud to present their letter of intent to run for the office of secretary. Over the past three years, the George Bush High Student Council has been an active council at a district, state and national level. We have attended district meetings and workshops, summer workshops, the middle level and high school state conferences. For the past three years our council has been the recipient of numerous awards such as being recognized by the local media for our charitable and outstanding projects, being state parliamentarian school for the 2016-17 school year, awarded Top Ten Projects in 2016 and 2018, and being recognized with the National Outstanding Student Council award in 2016. We believe that we are equipped and ready to fulfill and execute the duties of the state secretary position.

In the past year, we have noticed that many students within our high school struggle as they move on to the next grade level. Students struggle socially, emotionally, and or academically but we as a council have also noticed that students are simply just not aware of what they need to do to succeed. In hopes to solve this issue, we created our platform "You've Got a Friend in Me" which aims to mentor students and assist with academic, social, and emotional struggles focusing on our high school's feeder pattern.

Respectfully,

Kalkidan Admassu  
Student Representative
