Dear Texas Association of Student Councils,

I am writing to express my sincere professional interest in the TASC Board of Directors position. I believe that I am a strong candidate for this position because I am a motivated and dedicated advisor who aspires to improve the overall quality of student councils in the great state of Texas. I am confident that I possess the qualifications the board needs to promote the philosophy and goals of TASC.

Since 2012, I have served as the Harlingen High School Student Council advisor and worked diligently to increase my council's participation at the district and state level. I have worked closely with the District 16 leadership team, to cultivate a supportive and caring environment. Not only have I enjoyed working with my own council, but I have also had the pleasure of serving in leadership roles in District 16. These opportunities enabled me to improve and strengthen my communication, interpersonal, organizational, and leadership skills, which allow me to reinforce TASC's vision, mission, and goals. My passion for equipping students with strong character skills led to my instrumental role of implementing the CharacterStrong program at Harlingen High School. This perseverance has set my school district on a path of transformation by expanding the CS curriculum to our feeder middle schools. I will continue to share my passion of increasing character development programs in Texas schools to achieve TASC's goal of positively impacting schools and communities' culture and climate. Furthermore, I am adept at fostering strong working relationships with advisors from all over the state.

As a TASC board member, I will aspire to strengthen our great organization that is conducive to empowering student leaders. I seek to promote advisor support, growth and development, to include teamwork and cooperation. I will coordinate my efforts with advisors, board members, and students to ensure councils remain disciplined, focused, and receive appropriate attention that meets their needs. I am fully prepared to continue the established culture of caring and excellence in TASC.

Sincerely,

Veronica Hunt
