Montwood High School has continuously been involved in District IX and TASC activities, events, and conferences. Whenever needed, Montwood is always one of the first to step up and help. With the support of our advisor, Ana Player, and principal, Carlos Guerra, Montwood Student Council has been awarded The 2020 National Gold Council of Excellence and TASC Sweepstakes and Outstanding Council.

Our advisor, Ana Player, has been involved in numerous leadership conferences at the district and state level. She has shared with our local councils project ideas and community contact information to help other councils reach their full potential. Most recently, Mrs. Player led a table share at the TASC Advisor's Workshop in September of 2020. She was also awarded the Montwood High School 2021 Teacher of the Year.

Alondra Romero is an upcoming senior and has been in student council since her 6th grade year at Bill Sybert School. Over the years, she has served in different elected positions such as secretary, Energy & Environment chair representative, and vice-president. She is hoping to serve as student body president her senior year. Her attendance at several retreats and workshops have been instrumental to the leadership growth of Alondra. She has participated in TASC Summer Workshops, Advanced Workshops, District IX conferences, VISION, and NatStuCo camps. Alondra's philosophy is to follow what is within yourself in order to impact and help make change to those around you. Extracurricular activities have been an important part to her growth as she is also involved in the dance team at Montwood High School, Synergi4 program, and Ballet Folklorico of El Paso. Alondra has been given the opportunity to work alongside TASC student councils for the Summer Leadership Workshop, and is currently serving as a 2021 Junior Counselor for both Lakeview and Mo Ranch.

To Whom It May Concern,

Montwood High School Student Council is announcing our intent to run for the position of Vice-President for the Texas Association of Student Councils for the 2021-2022 school year. Our council is deeply committed to making a difference at a state level and would greatly appreciate the opportunity to serve as a board representative for TASC.

With our focus on a city-wide platform that focuses on student leadership, "It's Always the Right Time To Lead", encourages students to continue to lead even through the tough times. We believe leadership can be executed in many different ways and there are many purposes for it. As our council theme currently states, "It takes change to make change." We believe by empowering students with a leadership mindset, we can have a greater impact on our community and state.

In the over 30 years of Montwood High School's existence, we have strived to inspire and impact our community. We have held state office and several district positions, most recently serving as District IX treasurer for the past two years. From this opportunity, we have learned what the TASC Vice-President position can entail and are more than willing and able to fulfill the duties of this position if elected.

In years past, our mission has been to motivate Montwood High School, District IX and TASC students to reach their full potential and we are ready to continue to do so. Our campus has considered the sacrifices of holding a TASC board position and, with their support, we are fully prepared to fulfill what the position of TASC Vice-President requires.

Respectfully,

Montwood High School
