Dear Texas Association of Student Councils,

We are writing to formally declare our intent to run for Parliamentarian of the Texas Association of Student Councils. We are extremely grateful for the opportunity to potentially serve this amazing association and our broader community by carrying out vital responsibilities and supporting fellow student councils throughout our great state.

Welcoming new students is an essential part of creating a positive and inclusive community and serves as the focus of our platform: "New Student Engagement: Gotta Catch 'Em All!" By implementing our initiatives before the school year starts, we help families feel valued and connected. Activities like orientation events, mentorship programs, and interactive workshops keep students from fearing the unknown. Our goal to continue creating a sense of belonging as the year progresses ensures that our students know they are an important part of our school and community.

At Eaton High School, our Student Representative Ridley Zeske, along with our Student Council Advisor Jessica Zeske and Principal Stacy Miles, aim to create an atmosphere of belonging. As a fast-growing, large school in a fast-growing district, the importance of connections and building relationships is essential for fostering a supportive environment, where students feel embraced. Additionally, Ridley and Ms. Zeske feel confident in their knowledge and ability to perform the duties required of the T.A.S.C. Parliamentarian.

We look forward to learning more about and collaborating with councils across our great state, as well as grow as leaders, as we forge ahead with our candidacy. We know this venture will allow us to give back not only our Northwest ISD community, but also to the Texas Association of Student Councils who has given so much to us.

Respectfully,
