Plainview, Texas 79072

Dear Texas Association of Student Councils,

On behalf of Plainview High School and the Plainview High School Student Council, we are formally submitting our intent to run for the office of the Texas Association of Student Councils Secretary. We hold high the value of the traditions and beliefs established by TASC. We agree to perform the necessary duties and responsibilities of the office of secretary required by TASC. Plainview High School hereby pledges to respect the honor of TASC.

Plainview High Student Council is focusing awareness on the dangers of teen drinking and driving; as we have utilized resources through the “Teens in the Driver Seat” website, we plan to involve the student body with various projects with the main subject: Don’t Drink and Drive. PHS StuCo is focused on creating awareness in the community as drinking and driving has become a necessary issue within the town and surrounding areas. Influenced by recent events in our community, we are motivated to “Rev up for Responsible Driving: Teen Drinking and Driving Awareness” as the focus for the PHS campaign of the TASC Secretary.

By focusing on the awareness of the danger of teen drinking and driving, we have a goal for Student Councils across Texas to influence their community to resist drinking and driving. Young people within the community of Plainview have been emotionally and physically damaged by those who chose to drink and drive; hence, the need to advocate for the safety of teens throughout Texas has kindled our efforts in our Student Council.
