4 • WELCOME FROM TASC

ABOUT TASC

The Texas Association of Student Councils is a non-profit organization serving middle and high school level student councils in Texas. TASC builds leaders who positively impact our schools, our communities, our state, and our nation through leadership development in secondary schools in Texas. We believe in a powerful student voice, the journey of leadership, and in building a strong web of support for students and advisors. We know that leadership skills can be learned and enhanced, and we work daily to do just that. Organized in 1937, TASC serves almost 1200 member schools by providing opportunities for advisors and student leaders to interact and learn through outstanding programs such as this Annual Conference.

KICK CANCER

At TASC, we know our schools and communities are far from perfect. A prominent issue plaguing our communities is cancer. Most cancers spawn from preventable actions, including vaping, smoking, and unhealthy eating. TASC intends to bring accessible and effective information and projects to the forefront by giving cancer the boot. We plan to provide awareness, positive actions, and activities for students, teachers, parents, and community members.

ACKNOWLEDGMENTS

- Each of the local student council advisors and students who gave generously of their time and energy to make local, district, and state activities successful.

- The Irving Convention and Visitors Bureau, especially Lori Mansell and Kathy Levine for its support, assistance, and door prizes

- The students and advisors of the state officer schools as well as the elected advisors on the TASC Board of Directors for their sincere interest in TASC, their help at this conference, their commitment to the success of TASC throughout the year, and their reading too many emails to even count.
- Duncanville High School students, advisors, staff, parents, and community members for their vision, their creativity, their dedication, and their tireless efforts in making this conference absolutely outstanding.

NAME BADGES /WRISTBANDS

Each registered delegate and invited guest will be given an official conference name badge and TASC wristband. To ensure student safety, these items must be worn at all times. The conference wristband is admission to all conference sessions. Those without a TASC wristband and name badge will be required to leave. Additionally, the color of the wristband will determine the rotation to be followed for breakout sessions on Day 2 afternoon.

DRESS CODE

The TASC Board of Directors requests that all attendees follow the TASC Conference dress code. No shorts of any type are to be worn to any conference activity with the exception of the night at Six Flags. Hats or caps are not allowed in the building, and all shirts and dresses must have sleeves. Security will help monitor dress code.

STUDENT DROP-OFF/PICK-UP

Student drop-off is on the Promenade Parkway directly in front of the Irving Convention Center.

PARKING

Parking is available at the Irving Convention Center for a \$10 charge. Parking is also available at the Westin Hotel and Convention Center for a \$10 charge per day. The height limit at both venues is 10 feet which will not accommodate buses. There are a very few bus parking spots behind the Irving Convention Center. Special arrangements must be made with TASC to access that parking. TASC will issue a parking pass which must be visible on the dash of each vehicle admitted to that large vehicle parking lot. Parking passes at Six Flags are included with your park admission fee.

GENERAL SESSION ENTRY AND SEATING

Doors to the General Session will open approximately 30 minutes to one hour before session start time. Any school group may enter the room and secure seating, but the room will not have any activity until 15 minutes before the official start time. Schools may reserve seats for their delegation ONLY. At least one person from the delegation must remain with marked seats at all times. Any item used to mark seats reserved will be removed if there is not at least one person from the delegation present at all times. Please fill the seats in the middle of rows first. Do not leave empty seats. Do NOT run in the Convention Center. The fire marshal prohibits standing at the sides or back of the auditorium. Due to security needs, all advisors must be seated with their students.

ELECTRONIC DEVICES

While you are invited to update your status and tweet about conference activities, we ask that advisors and students silence their phones and follow rules of business etiquette in the use of cell phones and tablet computers. Please be a model of consideration and respect for all attending conference sessions.

STUDENT BEHAVIOR

With the convention attendance totaling almost 4,000 delegates, it is necessary that advisors sit with their students during the general assemblies and monitor and control excessive noise. Even a few whispers in the auditorium create a lot of noise. Always treat speakers on stage with courtesy and respect. Advisors: Please ensure that your students remain seated during performances. Walking from the general assembly area to the halls is distracting.

FOOD AND BEVERAGE

No outside food or drinks may be taken into the Irving Convention Center. Meals April 21 and 22 at the Convention Center were available via prior purchase. Pre-purchased meals may be picked up on the 3rd floor terrace by the school advisor and one or two students to help carry the meals. (Name badges with school on them are required.) They may then meet their students on the 2nd floor terrace or on the first floor of the parking garage.

Meal pick up times for pre-purchased meals:

April 21 Dinner: 5:45p - 7:00p | April 22 Lunch: 11:45a - 1:00p

The use of alcohol, tobacco, electronic cigarettes, or other illegal drugs is strictly prohibited. Any student found in possession or under the influence of these substances will be sent home from the conference without delay at the expense of the student, his/her parents or the student's school. Both the student's principal and parents will be notified, and local authorities may be contacted.

CONFERENCE SAFETY

All conference attendees are expected to respect the rights and safety of others. Weapons of any type are strictly prohibited at TASC functions. Any person found in the possession of an item that is used as a weapon or exhibiting irresponsible behavior that endangers the health, safety, or welfare of him/herself or others will be sent home from the conference without delay at the expense of the student, his/her parents or the student's school. Both the student's principal and parents will be notified, and local authorities may be contacted. A student sent home from a TASC event because of disruption of the conference, a violation of TASC policies, or a concern for the safety of that student and/or others will not be allowed to attend another TASC state event for a calendar year.

TASC OUTSTANDING SCHOOL AWARDS

Official TASC Awards (plaques, date plates, certificates) will not be distributed to winning schools at the conference. Awards will be mailed to schools in May. A list of award-winning schools is available on the TASC mobile app or on the TASC webpage. Additionally, there will be a wall of honor, and special theme-related awards will be displayed. These awards were created by the conference coordinator school and may be taken home by the award-winning schools on the final day of the conference.

TASC TOP TEN PROJECT AND VIDEO WINNERS AS WELL AS SCHOLARSHIP WINNERS

2022-2023 winners will be announced during the final general session.

One of the purposes of the TASC Annual Conference is to elect new state officers for the upcoming school year. Schools elected to serve as TASC state officers are represented on the TASC Board of Directors by one student representative and the school advisor. The Board of Directors is the policy-making body for the association. Throughout the conference, member schools will have multiple opportunities to learn about the candidate schools' qualifications and platform (an idea they are promoting for TASC). Candidates will communicate their campaign theme, platform, and qualifications through a campaign booth, storyboard, student speech, meet the candidate session, and a campaign skit. Candidate school information is posted on the TASC website. When voting, schools should consider how well the candidates communicate their platform and theme, the strength of the platform, and the qualifications of the advisor and student representative.

CONFERENCE BREAKOUT SESSIONS (DAY 2 AFTERNOON)

Conference Breakout Sessions will take place on Day 2 afternoon from 1:30p - 4:00p. Delegates will be divided into three separate groups, and each group will follow a separate rotation through each of the three breakout session stations (below). Rotation schedule will be determined by the color of the delegate wristband. Entire school delegations will be in the same rotation (same color wristbands). All conference delegates will have the opportunity to rotate through each station over the course of the afternoon.

The three breakout stations are:

GENERAL SESSION: When assigned to this rotation, all delegates in the group will report to the Exhibit Hall in the Convention Center (where General Sessions are held). This session will be repeated in all three time blocks. See page 16 for description.

SPECIAL SESSIONS: When assigned to this rotation, all delegates in the group will report to the 3rd Floor of the Convention Center and the Senior Session is across the crosswalk near the parking garage to the Westin Harmony room. Large group (50-300 delegates) sessions will be offered during this rotation. Each student delegate will choose ONE of the offered presentations to attend during this 40 minute session. All presentations will be repeated in all three time blocks. For a list of topics and room assignments, see page 17 in this program. Session descriptions are on the app. Advisors, use the handout provided to assign delegates to sessions and ensure they know where the sessions are located.

TABLE TALK PRESENTATIONS: When assigned to this rotation, all delegates in the group will report to the 4th Floor of the Convention Center. When delegates participate in this session, they will choose from approximately 87 table talk presentations. Student delegates will choose THREE of the offered presentations to attend during the 40 minute session. All presentations will be repeated in all three time blocks. Presentations conducted in the Table Talk Station are school-created and student-led. Presenting students will remain at the same table while student delegates move around to various tables during the time block. This movement will be a structured process guided by a facilitator. Use the handout in the advisor packet to assign students to different tables. See the conference app for Table Talk descriptions.

LEADERSHIP IS A VERB

Leadership is a Verb - Leadership is not just about your title or tenure, when done right those things are the least important aspects of leadership. Leadership is a VERB! The tough part is realizing that and then finding your VERB. What makes you dope? It's the action you take to elevate yourself and your organization. Let's examine the questions and processes to understand how to best invest your group's talent, energy, and effort to maximize the impact on the campus and in the local community.
