Dear Texas Association of Student Councils,

This letter is to advise you that I have reviewed the qualifications pertaining to the nomination for the office of TASC Middle-Level Advisor to the Board, and have completed all necessary forms. I am officially announcing my candidacy for the position of TASC Middle-Level Advisor to the Board for the 2022-2025 term.

I am an active Student Council sponsor at Pietzsch-MacArthur PK-8 Center and strive to give 100% to our Student Body each day. I am a firm believer in the journey of Student Leadership and the process of which it takes to provide an environment where students feel their leadership skills can flourish and blossom. As the current Student Council sponsor, I have led the Student Council to achieve the Sweepstakes Council and Outstanding Student Council State Award 2 years in a row, as well as countless other achievements within our district. In addition to this, I strive to strengthen the culture of Student Voice on our campus by creating opportunities for students to connect with campus leadership to build a positive school climate. These initiatives included creating a Student Leadership Advisory Council which allows representatives from each club/organization to have a direct impact on our campus policies, procedures, and practices. I have also had the pleasure of serving in a supervising role for all campus clubs/organizations as a resource and guide to ensure success.

I pride myself on being an advocate for Middle-Level Student Councils. Currently, I serve District 17 as the Middle-Level Advisor to the Board. Throughout my tenure, I have been a prominent voice in creating an inclusive and fair environment for Middle-Level students to play an active role in the TASC framework and leadership development process. My passion for student leadership runs deep as I was once a TASC Student Council Executive Officer and President. I had the pleasure of being a product of the Texas Associations of Student Councils which allowed me to cultivate my student leadership skills and, in turn, can now invest those same practices in my student leaders as their Advisor.

I am excited to serve the student leaders of tomorrow and would be honored to have the opportunity to be a voice for Middle-Level students across the state of Texas. It is my hope that my desire to create a sense of community across Middle Level & High School Councils aligns with our association's vision for the future of student leadership.

If you have any questions, please feel free to contact me at the information below and I will be happy to answer any concerns that may arise.

In Leadership,

Wilton Allen
