re: Intent to run for Office

Dear Board of Directors,

Northwest High School Student Council on behalf of Northwest High School are formally submitting our intent to run for the TASC office of President. We believe that we have the personnel to effectively perform the duties of this office and help lead the organization next year. We last held office in 2010 and during that year we divided the method of checks and balances to make sure that the vote counts were never incorrect again (back in the paper ballot days). We look forward to using that same dedication to help improve our organization in any way possible.

Our theme for our campaign is "Kindness Clicks: Encouraging Respectful Social Media Presence." Our platform is to focus on promoting positive and respectful social media environments, where students use their platforms to uplift others rather than tear them down. The initiative aims to combat cyberbullying, discourage harmful behavior online, and encourage students to create supportive, empathetic communities on social media. By fostering a culture of kindness and respect in online interactions, this campaign will help students develop a more responsible and thoughtful approach to their digital presence. For this campaign, Northwest High School has partnered with the Texas based nonprofit David's Legacy to achieve our goal of creating a safer social media environment.

Northwest High School is asking TASC to officially adopt David's Legacy as a TASC endorsed program.
