

**When Strong Student Activities are Established, Achievement Follows!**

Time to **GET READY** for the 2021 - 2022 School Year

You and your students need that training and connection to be your best next year!

### Plan for Council Success in 2021 - 2022

The best thing you can do for yourself and your council.

→ **Summer Leadership Workshops: [Registration is open.](#)**

• Two sessions with Two Workshops (AM and PM) both sessions.

- June 28 – July 1: Registration closes June 14

- July 12 – July 15: Registration closes June 28

• There will be Middle Level small groups within each workshop (with enough registration).

• There are two separate Advisor Workshops as well.

• Want to volunteer as a small group facilitator (SGF)? SGF's receive two complimentary registrations for students and are provided a complimentary registration for themselves to an Advisor Only Session.

### Build Your Leadership Program

The TASC/TASSP State Credit (and very affordable) Leadership Class could be just what you need.

→ **Student Leadership Curriculum Academy (for teachers of leadership) [Registration is open.](#)**

DON'T WAIT...

**PLAN**

YOUR SUCCESS!

### JOIN OR RENEW TODAY!

Renewal notices were sent via email. Email [lori@tassp.org](mailto:lori@tassp.org) if you need another.

#### Advisor change for next year?

New Advisor? Or need to add a NEW advisor? Please do NOT overwrite the existing advisor's information. (It is best if the new advisor adds this information.) The new advisor can create a profile at this link: [Advisor Change/Addition Form](#). (Co-advisors may be added there as well.) Important: Please do not overwrite a name, email, or school name with another person's information in a profile or in a registration or payment. That results in the advisor profile not being linked to the school profile.

**Share this newsletter with your students. Let them investigate projects and opportunities. The newsletter is posted on the front page of the TASC website.**

### Special Benefit for TASC Active Members

Does your council (or your school) need to track service hours in an efficient, easy to manage manner? X2VOL, a preferred vendor of the Texas Association of Student Councils, offers special pricing for TASC active members that you may also provide to other groups in your school. Please share this information with your principal. Perhaps

some of those savings could be shared with StuCo.

Lianna Gantz, Keller Central HS StuCo advisor, member of the TASC Board of Directors and the 2021 TASC HS Advisor of the Year uses x2VOL for student council and green cord. The CHS Honor Society advisor uses x2VOL as well. Leanna says she saves time and is able to keep accurate account of service and volunteer hours and recommends the program highly. Follow this link for more information.

**Special x2VOL pricing is available only to TASC Active Members. Log in to the TASC website to find specifics listed in the Member Center**
