Dear TASC,

Those of you who know me well know there are tears in my eyes as I write this.

It has been my immense honor and privilege to serve you as the TASC Director for the past eleven years. I have been blessed to work with student councils since 1968 including two years in Virginia. I cannot think of a better choice to which I could have dedicated my professional life.

Value is the word I would choose to describe my tenure with TASC. Your TASC Board of Directors, your TASC Leadership Workshop Directors and Consultants, your Student Leadership Course instructors, your TASC District Leaders, the TASSP/TASC staff, your advisors, your members, and former members have worked diligently to provide value for you every day. I am extremely proud of our work during the pandemic. TASC did not cancel one event during that time. While some may have been provided in a different manner, your association continued to provide connection, information, and programming for student councils in Texas.

It is our membership that is exceptional. Our greatest successes have come when I looked to our members and gave ownership to them. You are the strength of TASC, and I am grateful for you.

I am grateful to our vendors, our partners, our endorsed programs, and our sponsors. Thank you for supporting student leadership.

I am grateful to the TASSP office staff who listened to me worry out loud more times than I can count and who always came through when I had yet another "emergency." Each year the TASC Board of Directors has been exceptional. Thank you all.

I leave you with words from a Rascal Flatt's song:

*"My wish, for you
Is that this life becomes all that you want it to
Your dreams stay big, your worries stay small
You never need to carry more than you can hold
And while you're out there gettin' where you're gettin' to
Hope you know somebody loves you
And wants the same things too"*

**Hey StuCo!
You Rock!**

Thank you for the opportunity,
Terry

• **Advisor change for 22-23?**

New Advisor? Or need to ADD a NEW advisor? Please do NOT overwrite the existing advisor’s information. (It is best if the new advisor adds this information.) The new advisor can create a profile at this link: [Advisor Change/Addition Form](#). (Co-advisors may be added there as well.) **Important: Please do NOT overwrite a name, email, or school name** with another person’s information in a profile or in a registration or payment. That results in the advisor profile not being linked to the school profile.
