

Fund Raiser for Harvey Relief

Deepen Your Heart, Texas

This is a suggestion only. Councils are not asked to do this. This is simply one way in which councils can raise money for hurricane relief if they choose to do so.

Spirit Supply in Grand Prairie is providing shirts at cost (including shipping) for student councils to sell to raise funds for Harvey Relief.

Student Councils will pay \$3.50 per shirt (including shipping). They sell them for \$10 each (\$12 for 2X and 3X shirts) and earn \$6.50 per shirt which can be sent to another council seeking help for its school.

- 1) Take orders for the shirts and collect \$10.00 (\$12.00 for XXL and XXXL) per shirt.
- 2) Collate your orders and email info@spiritsupply.com with the shirts you are ordering broken down by size.
