

STAY IN THE KNOW

ADDITIONAL RESOURCES:

TEXAS HEALTH AND HUMAN SERVICES

Follow their Drug Free Texas campaign, use their youth prevention programs or find your local behavioral health authority and learn more about ways you can partner up with them to raise money, find speakers and save lives.

PARTNERSHIP FOR A DRUG FREE TEXAS (PDFTEXAS)

Donate to, book a guest speaker from or use resources provided by PDFTexas. They are an organization devoted to helping families that struggle with a child's substance use.

HOW TO STAY CONNECTED VIA SOCIAL MEDIA:

1. Follow TASC for important updates, council features and information covering our state service project.
2. Tag TASC in your stories and/or posts. We want to see the amazing work you're doing!
3. Use **#itsnotagame** when posting or tweeting about anything related to the state service project.

WHERE TO SAFELY DROP OFF PRESCRIPTION DRUGS:

Some CVS and/or Walgreens locations have a drug drop box. You can find this information by searching, "prescription drug drop off near me." If neither company has one in your vicinity, contact your local DEA office for further instruction on how to dispose of the materials safely.

WHEN IS THERE A DRUG TAKE BACK DAY NEAR ME?

Simply call your local DEA office and ask when and where the next take back day is scheduled for. Advertise in your community and around school to increase participation.
