

TASC Endorsed Program Request

Board of Directors Policy Regarding Endorsements and/or Partnerships

Programs/projects that complement the mission and purpose of student council may be considered by the Board for an endorsement/partnership. Programs or projects interested in forming a partnership with TASC must demonstrate in writing the ways in which the program enhances the work of or provides a resource to student councils. Programs/projects sponsored by member schools are preferred. The Board will approve this type of relationship at the summer board meeting. The board may determine to limit the number of endorsed programs. These relationships benefit TASC member schools directly, either by providing a resource to the council or to individual students. Endorsed programs often exhibit at TASC events and present at TASC events. Benefits to an endorsed program/partner may include access to member schools data for marketing, inclusion in conferences through presentations and reduced exhibit rates, a link on the TASC website, and inclusion in the TASC Resource Guide. Relationships are established by a board vote and are renewed annually. Existing programs must demonstrate participation by and benefit to schools and justify the continuation of the relationship in writing.

Mission/Purpose of Organization	SafeBAE is the only survivor-founded, student-led national organization working to prevent sexual violence exclusively among middle and high school students in the US. We work to enlist all school stakeholders in culture change by giving teens the tools to become peer-to-peer advocates of sexual harassment and assault prevention, affirmative consent, safe bystander intervention, survivor care, and Title IX education; while also providing school staff with trauma-informed response training, curriculum, policy reform guidance, and resources to reduce recidivism.

For students, the benefit is most in that all of our student resources are entirely free and were made by students.</p>
<p>What is the benefit of this partnership to your organization?</p>	<p>This would help us reach a wide audience of TX schools with our programs and resources.</p>

Describe the plan for serving schools across the state of Texas.	We can offer all or a curation of our programs to any school across the state or country, based on the requested outreach we receive.
Describe your intent to exhibit or present at the TASC Advisors Workshop in September, the TASC Middle Level Conference in November, and the TASC Annual Conference in April. (Presentation topics must be submitted and approved prior to each conference. Endorsed programs are eligible for reduced fees for exhibiting. Forms are available under Exhibitors/Sponsors at www.tasconline.org .)	We would be very interested in presenting at any of the workshops or conferences. Our presentation could be aimed at sharing information about how to engage students as prevention leaders and peer educators of dating violence prevention. But we could also focus on Title IX dating violence specifics and supporting administrators in integrating dating violence prevention as a priority in their school. Or we can do a combination overview of all of our resources!
